Hi David,

If Clean Energy Systems is interested, we could set up a Skype meeting to demo the GSDT system for them. I am told this is something Molly Bayer offered to potential Class VI permit applicants in the past. Please feel free to offer this to CES on our behalf or let us know if you'd like HQ to contact Rebecca Hollis and Wayne Rowe about this directly.

Thanks,
Molly

Rebecca,

Please find below your username for the GS Data Tool.

Ex. 6 Personal Privacy (PP)

You will receive a temporary password over the phone from Cadmus, the EPA contractor that supports this tool, within the next day or two. We recommend that you **change your password the first time you log in**. The account password can be changed by clicking on the username that appears in the top right corner of the <https://epa.velo.pnnl.gov/share/page/operators> page after logging in. A menu will appear with a "Change Password" option.

Please note that Firefox is the recommended browser for accessing the GS Data Tool. Should you have any questions, please don't hesitate to contact us.

Regards,
Molly
